FREE WORLD-WIDE P&P: this refers to regular, surface mail of parcels or packages, provided by POSTE ITALIANE. Please see their website <http://www.posteitaliane.post/english/index.shtml> to verify their services, and to check their liability statements.

If an item is lost in the mail, it becomes the responsibility of the mail service to provide compensation, thus it is advised to INSURE ANY PURCHASE, according to its value.

BUT PLEASE NOTE that if you wish to have a more expensive delivery service for your purchase, such as recorded delivery or a service which requires a signature at your end, you must inform me the same day that you send your order. We endeavour to send all packages within two working days, depending on other work commitments.

Additional postage costs must be paid over-and-above the initial price, and before any purchases can be sent. We can acquire an estimate for you, in most cases, before you pay for any additional postage charges, but please note that this depends on opening hours of local offices. We will use City Poste www.cityposte.it as an alternative delivery service.

Many thanks for your understanding with all of the above agreements!
